Within the Consortium, SAP Consulting, part of SAP, provides product expertise in the SAP product set.

About SAP

Founded in 1972, SAP is the recognised leader in providing collaborative business solutions for all types of industries and for every major market.

Headquartered in Walldorf, Germany, SAP is the world's largest inter-enterprise software company and the world's third-largest independent software supplier overall. SAP employs over 28,900 people in more than 50 countries. SAP's professionals are dedicated to providing high-level customer support and services.

By deploying the best technology, services and development resources, SAP has delivered a business platform that unlocks valuable information resources, improves supply chain efficiencies and builds strong customer relationships.

Hedra has enjoyed a long association with SAP and combines its own deep knowledge on managing change in the public services, with SAP's solutions expertise.
