Hedra consultant volunteers for Hammersmith Social Action Challenge

Last weekend, Hedra consultant Aidan Burley, supported the Hammersmith Social Action Challenge by volunteering to help improve the facilities at the Hammersmith Riverside Community Centre.

The centre runs a whole host of projects from lunch clubs to night shelters. Activities include an afternoon kids club, a Friday night youth club, a youth cinema and community dinners for local residents young and old. Aidan helped refurbish the main entrance, the community hall and dining room at the centre - spending most of his weekend up a scaffolding tower painting the ceiling.
